INTEREST IN TENNIS CONTEST

Newport, R. I., Aug. 22.-The tennis attraction of the country today centered in the western and eastern battle on the Casino courts between Champion Maurice E. Owing to the strength, versatility and experience of both players, the match was generally regarded as probably the most decisive of the week, with the winner a favorite for the championship. The odds on Mc Loughlin this morning were 5 to 4.

The two players have faced each other several times since McLough
